THANKS TO THE CHURCH IN MATTOON, ILLINOIS!

Pastor and Sis. Shine Doughty and Bro. and Sis. Cory Sanders from Mattoon, Illinois blessed us at our 2016 Ministers' Conference! Each of them preached and taught in different sessions. During this conference, a Trinitarian pastor, Miguel Guante, was baptized in Jesus' Name! He supervises 6 churches. We are praying that many in these churches will receive the revelation of Jesus' Name as well!

After the ministers' conference, a group of 38 came from Mattoon, IL to build a church and parsonage in the village of Guaymate. We are so thankful for this church's sacrifice and dedication to missions around the world! During their visit, 1 person received the Holy Ghost at the dedication of the building, and 4 received the Holy Ghost at another service in the capital.

PENTECOST 2016!!!

Our annual series of Pentecost crusades around the country is underway! The first was in the city of La Romana where 18 people received the Holy Ghost! In another service in La Guamita, many testified of healing and 7 received the Holy Ghost!
